

Planetshakers, All Of My Days

Holy is the Lord
Every knee will bow at Your name
Clothed in majesty
I will sing Your praises forever

The oceans will roar
The mountains will tremble at
The sound of Your Name
The heavens will sing to You
With all I am
I will worship You
For all of my days I will lift Your Name on high

Glory to Your Name
Let the nations sing of Your Love
King of all the earth
I will sing Your praises forever

Holy, You are Holy Lord
Holy, You are Holy Lord
