

# Planetshakers, All Of My Days

Holy is the Lord  
Every knee will bow at Your name  
Clothed in majesty  
I will sing Your praises forever

The oceans will roar  
The mountains will tremble at  
The sound of Your Name  
The heavens will sing to You  
With all I am  
I will worship You  
For all of my days I will lift Your Name on high

Glory to Your Name  
Let the nations sing of Your Love  
King of all the earth  
I will sing Your praises forever

Holy, You are Holy Lord  
Holy, You are Holy Lord
