

Planetshakers, Always And Forever

There's nothing better
Than living for You
Saving my world with You

There's nothing better
Than praising Your name
And lifting my praise
Wanna spend forever
Standing in Your presence

And I wanna show You
What You mean to me God
I give You my whole life
And I gotta tell You
That I am Yours forever
Lord I give You my whole life

Jesus I will live for You
In everything I do
I'm holding onto You
Always!
Always and forever..
And when my world is falling down
In You I will be found
I'm staying in Your arms today
Always! Always and forever..

There's nothing better
Than living for You
Saving my world with You
There's nothing better..
And I wanna show You
What You mean to me God
I give You my whole life
And I've gotta tell You
I am Yours forever
Lord I give You my whole life

Jesus I will live for You ;
In everything I do
I'm holding onto You
Always!
Always and forever..
And when my world is falling down
In You I will be found
I'm staying in Your arms today
Always!
Always and forever..

Always and forever

Always! Always and forever (repeat)

Jesus I will live for You
In everything I do
I'm holding onto You
Always!
Always and forever..
And when my world is falling down
In You I will be found
I'm staying in Your arms today
Always!
Always and forever..

Always
Always and forever
Always
Always and forever
Always
Always and forever
