

# Planetshakers, Cry Holy

A wondrous mystery in the pages of history  
Of a Man who bled and died for me  
He's more than a story  
He's the One who hung upon a tree  
His crimson flow poured out for me  
He gave His life to set me free

And I fall down  
I fall down

I fall down on my knees  
And cry Holy is the Lord  
Worship Him  
Worship Him and adore
