## INTRO

(Everywhere that I go  
I will let the whole world know)

I cannot contain what  
You've done in me  
I can't stop lifting up  
My praises to You  
My Jesus

Everywhere I go  
I will shout Your praises  
Everywhere I go  
I just can't contain it

## VERSE 2

You healed me set me free  
You gave me a dream  
Now I shout all about  
The King of all kings  
My Jesus

Everywhere that I go  
I'm gonna shout it  
Everyday of my life  
I'm gonna shout it
