

# Planetshakers, Forevermore

A new song I will sing  
An offering I bring  
My life is for the glory of my King

My all I give to You  
Lord do what You must do  
My heart is Yours and Yours alone

All I have is Yours  
Use me as You will  
I lay my whole life down for You

Forevermore I will worship  
Forevermore I will sing  
For You alone I will worship  
Forevermore

I stand here in this place  
In wonder of Your grace  
My Jesus You are everything to me

My heart it sings Your praise  
Lord lead me in Your ways  
I'll follow You forevermore

Forever  
Forevermore
