

Planetshakers, Forevermore

A new song I will sing
An offering I bring
My life is for the glory of my King

My all I give to You
Lord do what You must do
My heart is Yours and Yours alone

All I have is Yours
Use me as You will
I lay my whole life down for You

Forevermore I will worship
Forevermore I will sing
For You alone I will worship
Forevermore

I stand here in this place
In wonder of Your grace
My Jesus You are everything to me

My heart it sings Your praise
Lord lead me in Your ways
I'll follow You forevermore

Forever
Forevermore
