

# Planetshakers, God Of Miracles

Blessed be the Lord, Oh my soul  
Lord you are my God, take control  
To you I give my life  
God its yours  
Blessed be the Lord  
Blessed be the Lord

It's you  
Who heals and forgives  
It's you  
Jesus I believe

You are God, you are the God of miracles  
You're the God that makes me whole  
I will worship  
I will worship you

My soul longs for you  
My soul longs for you  
My soul longs for you  
My soul longs for you
