

# Planetshakers, Great Is The Lord

You are holy  
You are righteous  
Your name is above all names  
You're my healer  
My deliverable  
And you reign for always

I will bow in worship of you  
I will sing of all your graces

Great is the lord  
Great is the lord  
Your kingdom will reign  
Every knee will bow  
And tongue confess  
Great is the lord

Jesus you alone are worthy
