

Planetshakers, Hallowed Be Your Name

Hallowed be Your Name
Hallowed be Your Name
Lord and majesty, divine authority
Hallowed be Your Name

Holy Holy, Lord You are worthy
And I'm honoured to sing Your praise
King of glory, God Almighty
Hallowed be Your Name

All creation, every nation
Has its being by Your Word
As it is done up in Heaven
Let it be done here on earth
Let it be done here on earth
