

# Planetshakers, Holding On

Here it goes  
I'm letting go  
Of all that's weighing me down

I believe  
With everything  
That you are all that I need

So I look to you  
And not to this world  
I am found in You  
And You are found in me

You're the centre of my everything  
You're the rock on which I stand  
My foundation is in Jesus  
I'm holding on to you forever

I'm reaching out  
For more of You  
Come and fill me again  
More of You  
And less of me  
That is how it should be

So I look to you  
And not to this world  
I am found in You  
And You are found in me

You're the center of my everything  
You're the rock on which I stand  
My foundation is in Jesus  
I'm holding on to you forever

You're the center of my everything  
You're the rock on which I stand  
My foundation is in Jesus  
I'm holding on to you forever

I'm holding on to you forever  
Coz no one else can be the centre  
You are the only one for me now  
Lord its You  
I'm holding on to you forever  
Coz no one else can be the center  
You are the only one for me now  
Lord its You

I'm holding on to you forever  
Coz no one else can be the center  
You are the only one for me now  
Lord its You

Your the centre of my everything  
Your the rock on which I stand  
My foundation is in Jesus  
I'm holding on to you forever  
You're the centre of my everything  
You're the rock on which I stand  
My foundation is in Jesus  
I'm holding on to you forever
