

Planetshakers, I Surrender

Waiting my heart open
Hands raised to You
Longing for Your touch
To come make me new

My life I lay down
My heart and my soul
Lord I surrender
I give You my all

Every part of my life Lord
Is Yours and Yours alone
Every beat of my heart
God is Yours

I surrender to You
I surrender to You
I lay my life at your feet
I surrender to You

My life I lay down
My heart and my soul
Lord I surrender
I give You my control

God I give You every part of me
Take my everything it's You that I seek
All I want is to be where You are
I'm Yours
