

# Planetshakers, I Surrender

Waiting my heart open  
Hands raised to You  
Longing for Your touch  
To come make me new

My life I lay down  
My heart and my soul  
Lord I surrender  
I give You my all

Every part of my life Lord  
Is Yours and Yours alone  
Every beat of my heart  
God is Yours

I surrender to You  
I surrender to You  
I lay my life at your feet  
I surrender to You

My life I lay down  
My heart and my soul  
Lord I surrender  
I give You my control

God I give You every part of me  
Take my everything it's You that I seek  
All I want is to be where You are  
I'm Yours
