

# Planetshakers, I Will Live For You

You are so faithful  
Your word is true  
No one is like you  
In all that you do

You are so worthy  
I give you the praise  
So I give my all to honor you

And I raise my hands  
And I will lift up my praise

Holy is the Lord God  
In all the earth  
I will praise the Lord  
With my mind, soul and strength

He is high and lifted up above  
Jesus You are my God  
I will live for you
