

Planetshakers, Jumpin' Praisin'

Let me tell you 'bout an awesome God
Who loved this world enough to lay His life down for it
Sent His one and only Son
So that when we believe we will have life forever
Lost without a sacrifice
But as He hung on the cross it was You and me He died for
When He rose up from the grave
He put the enemy beneath our feet forever

Jumpin' Praisin'
Liftin' up the name of Christ our Saviour
Jumpin' Praisin'
Tellin' all about our God who lives forever

Praise Him
Come on everybody lift up voices
Praise Him
Come on everybody lift up your hands now
Praise Him
Come on everybody lift up your feet now
Praise Him
Come on everybody lift up our Saviour
