

Planetshakers, My Life Is Yours

Verse1:

His praises rise in my heart
His passion is burning deeply within
Could to lift to name up every day
And tell the world that You're the Only Way

Pre-Chorus:

Come and fill me with Your power
It's in You I find my Strength
Gonna live my life for You
Alone.

Chorus:

Jesus my heart is crying out for more of You
King of all kings, Lord of lords
My Life is Yours.

Verse2:

You are the Only one for me
And all keep singing on and on and on to You my King
Go to lift You in all I do
Jesus, You are everything to me
You are everything to me.

Bridge:

My life is all for You, Lord
Take over all of me
I live to worship You Alone
