

Planetshakers, Rescue Me

When I'm alone the world is such a different place
Sometimes it's hard to keep the smile upon my face
It seems like I try so hard and still I let you down
It's taken so long but now there's one thing that I've found

When everything starts crashing down
When all I know falls to the ground
When darkness comes and I can't see
You're always there to rescue me.

Just when I think that I have got it figured out
You open my eyes and let me see that there's no doubt
But you've got it all within the power of your hand
It seems like the more I know the less I understand

When everything starts crashing down
When all I know falls to the ground
When darkness comes and I can't see
You're always there to rescue me.

When all my strength has turned to fear
When I wonder if you're near
When I don't know how to break free
You're always there to rescue me.

I wonder if I'll make it through this darkest night
I need to know your strength in me go in this fight
I'm reaching out - won't you take my hand; show me to the light?
I know you're by my side.

It seems like I try so hard and still I let you down
It's taken so long but now there's one thing that I've found

When everything starts crashing down
When all I know falls to the ground
When darkness comes and I can't see
You're always there to rescue me

When all my strength has turned to fear
When I wonder if you're near
When I don't know how to break free
You're always there to rescue me.

You're always there to rescue me
You're always there to rescue me
You're always there to rescue me
You're always there to rescue me
