

Planetshakers, So Amazing

This love You have for me
It goes beyond my wildest dreams
So unbelievable yet so amazing
I'm lost for words

Time and again You reach out for me
Looking past my faults You see me destiny
Your hand of love I feel it touch me
And set me free

I will praise You Jesus
All my days
Sing of all Your great deeds
And Your ways
I will worship now and ever more
Love so amazing

I adore
