

Planetshakers, To You I Sing

I will bless Your name
Forever proclaim the wonders of God

I surrender my all
In worship of the King
Of all the earth

I will sing of Your greatness
I will sing of Your love
Let me sing of the Lord
You are the one

Lover of my soul
Strength you make me whole
Lord I give my life and offering
Healer of my heart
Gave me a new start
Lord I give my life and offering
To You I sing

You are my Everything
And I'll forever sing Your praise
For all my days

I will sing of Your greatness
I will sing of Your love
Let me sing of the Lord
You are the one

Lover of my soul
Strength you make me whole
Lord I give my life and offering
Healer of my heart
Gave me a new start
Lord I give my life and offering
To You I sing
