

# Planetshakers, Today

I don't wanna waste a second  
I don't wanna waste a moment  
I don't wanna live my life in chains

I am here to make You famous  
And tell the world You came to save us  
I am here to make a change today

And for the sake of this generation  
I live for You  
For the hope of the world's salvation  
I live for You

Today  
I'm living for You  
Today  
My heart beats for You  
Today  
I'm following You Lord  
Today

Today  
I'm standing for You  
Today  
I'm looking to You  
Today  
I'm following You Lord  
Today

I am here to make You famous  
And tell the world You came to save us  
I am here to make a change today

For the sake of this generation  
I live for You  
For the hope of the world's salvation  
I live for You  
And for the sake of this generation  
I live for You  
For the hope of the world's salvation  
I live for You
