

Plankeye, Break Of Dawn

this tailored life i cannot breathe
there's something hidden something suffocating me
i wanna know i gotta know
is it my pentium this thing is way too slow
my perfect life like in a dream
i started thinking that it wasn't what it seemed
i gotta know i wanna know
please won't you tell me where it is that i should go
we'll move ahead we're moving on
until we see the break of dawn
this pot of gold this holy grail
sometime's it starts to feel more like a fairy tale
you told me once tell me again
that everything is gonna be just like you said
we'll move ahead we're moving on
until we see the break of dawn
