

# Plankeye, Call Me Liar

Riddled with the pain of falling short.  
I promised you I'd always try my hardest.  
And do you think I'm trying?  
No, I wouldn't either.  
Call me liar.  
Call me anything you want.  
My heart's on fire.  
Now everything is wrong.  
Flown and flung away.  
The hardest sort.  
Don't think that I would hurt you by intention.  
And do you think I'm trying?  
No, I wouldn't be surprised.  
Call me liar.  
Call me anything you want.  
I'm caught in the wires and everything is gone.
