

# Platnum, Trippin

Im trippin' on my own feet when im walking  
Im trippin' on my own words when im talking  
Im flippin' out when i cant, i cant see you  
So much for me, so crazy about you  
Now, i cant answer how i've been feeling  
But i know that i dont feel right  
Got my head spinnin' round, feet aren't touching the ground  
Giving myself a real big (fright??)  
My head keeps trippin' like...  
Im trippin' on my own feet when im walking  
Im trippin' on my own words when im talking  
Your flippin' out when you cant, you cant see me  
Too much for me to take boy, this ain't easy
