

# Platters, Harbor Lights

I saw the harbor lights  
They only told me we were parting  
The same old harbor lights  
that once brought you to me

I watched the harbor lights  
How could I help if tears were starting?  
Goodbye to tender nights  
beside the silv'ry sea

I longed to hold you near and kiss you just once more  
but you were on the ship and I was on the shore

Now I know lonely nights  
for all the while my heart is whispering  
Some other harbor lights  
will steal your love from me

I longed to hold you dear and kiss you just once more  
but you were on the ship and I was on the shore

Now I know lonely nights  
for all the while my heart is whispering  
Some other harbor lights  
will steal your love from me
