

Platters, Harbor Lights

I saw the harbor lights
They only told me we were parting
The same old harbor lights
that once brought you to me

I watched the harbor lights
How could I help if tears were starting?
Goodbye to tender nights
beside the silv'ry sea

I longed to hold you near and kiss you just once more
but you were on the ship and I was on the shore

Now I know lonely nights
for all the while my heart is whispering
Some other harbor lights
will steal your love from me

I longed to hold you dear and kiss you just once more
but you were on the ship and I was on the shore

Now I know lonely nights
for all the while my heart is whispering
Some other harbor lights
will steal your love from me
