

# Play, Girls Can Too

Girls can too...

Never give up, never give up, never give up  
That's what my mama told me  
Taking that chance, taking that chance, taking that chance  
Would be the right thing for me

Now I, I've got the feeling  
That I got what it takes  
For me to be strong

Everyday, everyday, everyday  
Feel like I'm number one and  
Every way, every way, every way

I'm looking out for fun and now I  
I've got the feeling that it's time to find out just where I belong

I just love trying the things that are new  
Now I know what I want to do  
So I'm gonna keep on trying  
To make my dreams come true

The room is jumping  
We'll dance until the dawn  
Come with me  
There's a party going on  
The place is rocking  
It's only just begun

I know the place to go  
And we're gonna have some fun  
Cause anything that boys do  
Don't you know that girls can too

Girls can too

Maybe it's time, maybe it's time, maybe it's time  
For me to take control and  
Maybe I know, maybe I know, maybe I know  
It's time to take a hold and  
Now I, I've got the feeling that  
Totally I believe in myself

So now I know what I've got to do  
I'm not that little girl you once knew  
So I'm gonna keep on trying to make my dreams come true

The room is jumping  
We'll dance until the dawn  
Come with me  
There's a party going on  
The place is rocking  
It's only just begun

I know the place to go  
And we're gonna have some fun  
Cause anything that boys do  
Don't you know that girls can too

Girls can too, yeah

Never give up  
Never give up

Never give up  
Yeah yeah

So now I know what I've got to do  
I'm not that little girl you once knew  
So I'm gonna keep on trying to make my dreams come true

The room is jumping  
We'll dance until the dawn  
Come with me  
There's a party going on  
The place is rocking  
It's only just begun

I know the place to go  
And we're gonna have some fun  
Cause anything that boys do  
Don't you know that girls can too

The room is jumping  
We'll dance until the dawn  
Come with me  
There's a party going on
