Play, If I Ain't Got You

Some people live for the fortune
some people live just for the fame
some people live just to play the game
some people think that the physical things
define what's within
I've been there before
but that life's a bore
so full of the superficial

some people want it all, but i dont want nothin at all
if it aint you baby, if i aint got you baby
some people want diamond rings, some just want everything
but everything means nothing if i aint got you now go poop in your pants play!
