

Play, Us Against The World

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World

I met someone the other night
Someone I really started to like
How will I know if it's right for me
I wonder if we are meant to be
Don't start to like him too much too soon

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World

You know that boy I started to see
He thinks he can have it all for free
I wonder if he's the one for me
I try to talk to myself into see
Don't start to like him too much too soon

There is no one else that I can say this to
And there is nothin better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World

Whenever you're near there is no fear
Feels like there's nothing I can't do
You make me feel strong
'Cause its here with you that I belong

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that

There ain't nobody else but you
That makes me feel the way that i do
There ain't nobody else but you

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World

There is no one else that I can say this to
And there is nothing better than to talk to you
If you have a problem I'll be here for you
'Cause girl you always know that
Its Us Against The World...
