

Play & Win, Musica latino

El ritmo est caliente
Bailamos para siempre
Musica latino,latino,latino x2
When I see you I`m losing control
Beautiful girl,beautiful girl
I feel love,I feel love in my soul
Come to me slow,come to me slow
I cannot lie
I will do you tonight
Give you some drink
And then we will sing
Just a moment I beg you to stay
Don`t run away,don`t run away
Love will take us somewhere far away
Don`t be ashamed I feel the same
I cannot lie
I will do you tonight
I`ll give you some drink
And then we will sing
El ritmo est caliente
Bailamos para siempre
Musica latino,latino,latino x2
I cannot lie
I will do you tonight
I`ll give you some drink
And then we will sing
El ritmo est caliente
Bailamos para siempre
