

# Pleasurehouse, Regrets

It was one of those days  
It was like moving in an impossible maze  
Then out of the misty haze  
The sun struck [...] gleaming like lace  
Shiny shiny shiny days  
Shiny shiny shiny days  
Couldn't find a possible maze  
Things falls into place  
Wonderful, wonderful Fay  
You make me wanna burst out and sing  
Shiny shiny shiny days  
Moving faster kiss the skies  
Shiny shiny shiny days  
Moving faster in the skies  
In my bed got an understanding  
It is something called sharing  
Try it and learn, try it and learn  
And you will see how true love can burn  
Shiny shiny shiny days  
Moving faster kiss the skies  
Shiny shiny shiny days  
Moving faster in the skies  
Shiny shiny shiny days  
Shiny shiny shiny days
