

Pleasurehouse, Regrets

It was one of those days
It was like moving in an impossible maze
Then out of the misty haze
The sun struck [...] gleaming like lace
Shiny shiny shiny days
Shiny shiny shiny days
Couldn't find a possible maze
Things falls into place
Wonderful, wonderful Fay
You make me wanna burst out and sing
Shiny shiny shiny days
Moving faster kiss the skies
Shiny shiny shiny days
Moving faster in the skies
In my bed got an understanding
It is something called sharing
Try it and learn, try it and learn
And you will see how true love can burn
Shiny shiny shiny days
Moving faster kiss the skies
Shiny shiny shiny days
Moving faster in the skies
Shiny shiny shiny days
Shiny shiny shiny days
