Not a muh'fuckin thang but hope for an appeal
Dem crackas givin niggaz mo time den dey done lived
Where I'm from deez crackas hidin niggaz at da crib

Dem crackas don't sell liq in prison u gotta think bout it
But like he told me time aint tha thang hurts tha most
The mu fuckas dat forget bout cha that u thought was close
If he had to do it all again he woudnt even take it 2 da doe

Told me that wit a straight face and kept dippin
