

Plies, Feel Like Fuckin'

I feel like fuckin (feel like fuckin)
I feel like fuckin (feel like fuckin)
I feel like fuckin (feel like fuckin)
I feel like fuckin
Im just in one of them moods, i feel like fuckin
Wanna lay up in somethin wet, and punish somethin
I want a nice lil baby who ain't got on nothin
I got a taste for some pussy, I feel like fuckin [x2]
Ate pussy in the shower for the first time last week
I got a confession to make to the world, I'm a freak
I think about wet pussy, all in my sleep
My fantasy is to get caught, fuckin on the beach
The best pussy you can get is when you gotta sneak
I call my lil baby a shooter; when she nut, she skeet
If I had my choice of how I'ma die, I'd be in some pussy, beatin
Babby pussy the leadin cause of a nigga cheatin
My baby sore, cuz I done fucked her twice, this evenin
Said I fuck her so good, it feel like she dreamin
Got her playin wit herself for no apparent reason
Need some more of that pussy, cuz a nigga feenin
Im just in one of them moods, i feel like fuckin
Wanna lay up in somethin wet, and punish somethin
I want a nice lil baby who ain't got on nothin
I got a taste for some pussy, I feel like fuckin [x2]
All this liquor keep me horny than a motherfucker
Just text bay and ask her could I come fuck her
Only yak here, but shit, her ass in trouble
Goin to beat bay, so that mean no rubber
That's my motherfuckin best, nigga, that's how I cut her
We been fuckin for a while, that's how we fuck each other
Love diggin in lil mama, cuz it get gutta
Seem like that pussy go to runnin, soon as you touch her
When I get in that pussy, I'm tryin to pull a muscle
Ready to come up out these boxers, so I can gon and fuck her
I can blame it on the liquor, if I wanna suck her
Know I'm ready to fuck bad than a motherfucker
Im just in one of them moods, i feel like fuckin
Wanna lay up in somethin wet, and punish somethin
I want a nice lil baby who ain't got on nothin
I got a taste for some pussy, I feel like fuckin [x2]
Can be four in the mornin or two in the afternoon
Just thinking bout that pussy get me in my mood
Knowin that pussy on its way, get me in my groove
Nothin like a bad bitch, who body smooth
Lay her flat on the bed, and look at her in the nude
Then fuck on every inch of the whole room
Money first, then pussy, then food
Around fat pussy, it's hard to keep my cool
Gotta turn my head, so I don't fuckin drool
I can tell when I want it; feel my boxers move
Yet they pussy get wet, when they want it too
Good pussy the worst thing you can ever lose
Im just in one of them moods, i feel like fuckin
Wanna lay up in somethin wet, and punish somethin
I want a nice lil baby who ain't got on nothin
I got a taste for some pussy, I feel like fuckin [x2]
I feel like fuckin (feel like fuckin)
I feel like fuckin (feel like fuckin)
I feel like fuckin (feel like fuckin)
I feel like fuckin (feel like fuckin...like fuckin)
