

# Plies, Feel Like Fuckin'

I feel like fuckin (feel like fuckin)  
I feel like fuckin (feel like fuckin)  
I feel like fuckin (feel like fuckin)  
I feel like fuckin  
Im just in one of them moods, i feel like fuckin  
Wanna lay up in somethin wet, and punish somethin  
I want a nice lil baby who ain't got on nothin  
I got a taste for some pussy, I feel like fuckin [x2]  
Ate pussy in the shower for the first time last week  
I got a confession to make to the world, I'm a freak  
I think about wet pussy, all in my sleep  
My fantasy is to get caught, fuckin on the beach  
The best pussy you can get is when you gotta sneak  
I call my lil baby a shooter; when she nut, she skeet  
If I had my choice of how I'ma die, I'd be in some pussy, beatin  
Babby pussy the leadin cause of a nigga cheatin  
My baby sore, cuz I done fucked her twice, this evenin  
Said I fuck her so good, it feel like she dreamin  
Got her playin wit herself for no apparent reason  
Need some more of that pussy, cuz a nigga feenin  
Im just in one of them moods, i feel like fuckin  
Wanna lay up in somethin wet, and punish somethin  
I want a nice lil baby who ain't got on nothin  
I got a taste for some pussy, I feel like fuckin [x2]  
All this liquor keep me horny than a motherfucker  
Just text bay and ask her could I come fuck her  
Only yak here, but shit, her ass in trouble  
Goin to beat bay, so that mean no rubber  
That's my motherfuckin best, nigga, that's how I cut her  
We been fuckin for a while, that's how we fuck each other  
Love diggin in lil mama, cuz it get gutta  
Seem like that pussy go to runnin, soon as you touch her  
When I get in that pussy, I'm tryin to pull a muscle  
Ready to come up out these boxers, so I can gon and fuck her  
I can blame it on the liquor, if I wanna suck her  
Know I'm ready to fuck bad than a motherfucker  
Im just in one of them moods, i feel like fuckin  
Wanna lay up in somethin wet, and punish somethin  
I want a nice lil baby who ain't got on nothin  
I got a taste for some pussy, I feel like fuckin [x2]  
Can be four in the mornin or two in the afternoon  
Just thinking bout that pussy get me in my mood  
Knowin that pussy on its way, get me in my groove  
Nothin like a bad bitch, who body smooth  
Lay her flat on the bed, and look at her in the nude  
Then fuck on every inch of the whole room  
Money first, then pussy, then food  
Around fat pussy, it's hard to keep my cool  
Gotta turn my head, so I don't fuckin drool  
I can tell when I want it; feel my boxers move  
Yet they pussy get wet, when they want it too  
Good pussy the worst thing you can ever lose  
Im just in one of them moods, i feel like fuckin  
Wanna lay up in somethin wet, and punish somethin  
I want a nice lil baby who ain't got on nothin  
I got a taste for some pussy, I feel like fuckin [x2]  
I feel like fuckin (feel like fuckin)  
I feel like fuckin (feel like fuckin)  
I feel like fuckin (feel like fuckin)  
I feel like fuckin (feel like fuckin...like fuckin)
