[Chorus: Tank]

You! {You}

Thinking about me! (Thinking about me)

Sucking on you! (Sucking on you)

Cumming on me! (Cumming on me baby)

Me cumming on you! (Come on suga babe)

[Verse 1: Plies]

I Won't Be Cute Tonight, I Wanna Get Nasty

Let me drop this mayonnaise, baby, in your salad

Slide your hand in my pants if you want to grab it

Bet as soon as you touch it, you call me "big" daddy

Want to lick all over you before I let you have it

Hold your legs open for me so I can really pack it

I'm Already Rock Hard, You Ain't Gotta Jack It

Bet the tip of this tounge make you really like it

Picture us on the floor with no clothes on

You Eatin Me, I'm Eatin You, Shit We Both Grown

Let you ride me tonight off your favorite song

Tonight a special night, baby a freak is born

[Chorus: Tank]

You! {You}

Thinking about me! (Thinking about me)

Sucking on you! (Sucking on you)

You sucking on me! (Can you do it for me babe?)

Me! (ohhhh)

Thinking about you! (Thinking about you)

Cumming on me! (Cumming on me baby)

Me cumming on you! (Come on suga babe)

[Verse 2: Plies]

Let me cut a hole right in the middle of your panties

Put a peep-hole right on top your candy

I'mma Have You Moaning, Win U A Grammy

I'm a goon lil' momma but I like it fancy

See, Sucking All On Ya Is What Get Ya Antsy

Seeing How A Goon Move, Got U Wantin To Chase Me

After I rip you tonight you might want to ban me

Your friend wanted me to, thats why she can't stand me

It's Ya Print In Ya Jeans What Got My Attention

A real nigga in your life is all you missing

Ain't nobody like me baby, I'm my competition

Bet When You Walk Out The Door In The Morning U Leave Whistlin

[Chorus: Tank]

You! {You}

Thinking about me! (Thinking about me)

Sucking on you! (Sucking on you)

You sucking on me! (Can you do it for me babe?)

Me! (Ohhhh)

Thinking about you! (Thinking about you)

Cumming on me! (Cumming on me baby)

Me cumming on you! (Come on you suga babe)

[Verse 3: Plies]

If you want to we could just tease eachother

Get drunk. Get naked and lay under cover

Let me peek at her first before I go any further

Stick my finger in yo mouth before I even touch her

Got to Put It In, We Could Just Hunch Each Other

See if I could make you nut without even f\*\*king you

Feel Me Pushing Up Against Ya, Then Go On And Rub It

Now You Mad You Wanna Fuck, I Can Tell How U Cussin

Just a couple minutes ago, you wasn't f\*\*king nothing

Now you pressing up against me because that pussy gushing

Got You Squirmin All Over, Now I Got U Touchin  
Made a crunk cut, now we sucking and f\*\*king
