[Chours:]

God I Want U To Know Im So Tired Of Lyin To You  
I Dont Even Know The Reason Why In The Fuck I Even Lie To You  
So If You Stop Fuckin Wit Me Right Now I Understand  
But I Guess That Would Leave Out Here Thug On My Own Then [x2]

I Told Them Motha Fuckers If I Die They Dont Know Where I Go  
Cause Alot Of Us Out That That We Think Goin To Heaven That Just Aint Gonna Go  
And Some Of Us Go To Church Every Sunday And Still Aint Gonna Go  
God I Lie To U To Much That The Reason Dont Know Where Im Gonna Go

I Remember The Little Hoe Butt That I Told That I Wasnt Gonna Fuck Raw No More  
I Guess What I Shouldve Said That I Wasnt Gonna Fuck Her Raw No More  
And After My Homeboy Got Killed I Promise You I Was Gonna Start Come To Church  
But Instead Of Comin To Church I Jump In The Game Head First

It Seems Like Weddings And Funerals The Only Time I Step Foot In Church  
But If I Was Locked Up Right Now Shit Ud Be My Bestfriend  
Cause That When Nigga Seem Like They At Lowest Point Of There Life Then  
My Dawg Locked And Every Time I Talk To Him God All Im Hearin

I Like I Told Him Them Cracker Let Him Out Tomorrow He'll Back Robbin Again  
And I Dont Know Why We Sit Down And Lie To You About Some Fuck Shit  
And Like They Say The One That Love You Get There Ass To Kiss  
I Guess Thats The Best Way To Explain Me And Your Relationship

[Chours]

I Told My Mama "Shit, God Must Be A Pain Freak"  
Cause After All These Lies And Broken Promises  
Dawg Still Fuck Wit Me  
And Im Gonna Be Honest Wit You God Shit I Wouldnt Even Fuck Wit Me  
But When I Was On My Dick Shit U Could Stop Hearin From Me  
And Soon As My Money Got Straight Shit You Stop Hearin From Me  
And After My Brother Gone And Died I Promised You I Thought Wit The Dope Game  
And As Soon As Them 22's Come Out I Got Right Back In The Dope Game  
And I Remember Bein On My Knees Throwin Up My Insides  
Have Heavy Yak In My System Felt Like I Was About To Fuckin Gonna Die  
I Told You I Wasnt Gonna Drink No More Shit There Go Another Lie  
I Know One Day All This Thugin Shit Got To Come To An End  
I Understand That One Day My Life Got To Come To An End

[Chorus]

God Man Its Just,  
Just So Much Fucked Up Wit Me Right Now  
Man Just Tiring Be Out Here And U Know Tiring To Get Money  
And Fuck Wit All These Hoes
