When a nigga money fucked up it's hard for him to think straight
Seem like a nigga life in park when he ain't got cake
First thing that cross a bitch mind shid he gotta take
You can stay broke forever or you can make a shape
Cause when you broke bitch talk to you any kinda way
You on ya dick bitch don't wanna here shit you gotta say
If you ain't built for this street shit den get out the way
Cause when a nigga broke everybody's fucking gravy
You either get money out chere or you fucking hate
You think a nigga gone give you something den keep waiting
You betta suck up yo mufucking pride and chase it
Cause when a nigga broke he ain't pose to have patients

My money looking funny nigga just making it barely shit ain't how it use to be nigga ain't
Fronting the package gotta choke me a bitch outta something I gotta have it I'm on my

I don't kno if god trying to punish me or my luck just bad
I don't kno which one of em it is but I need some fucking cash
I rather be in prison broke then out here without a stash
They say when it rains it purs then how will it last
Before I let it rain on me I'm a let a bitch crash
With all black on chop out and ske mask
The streets judge off wat you got not wat you had
I took a lost and it hurt me fucked me up bad
It ain't no feeling in the world like loosing ya last
I ain't got no choice I'm fucked up gotta bounce back
Seems like it take forever to get to get it but you can loose it fast
I rather a mufucka vist me while sitting behind a glass

My money looking funny nigga just making it barely shit ain't how it use to be nigga ain't
Fronting the package gotta choke me a bitch outta something I gotta have it I'm on my
Dick dawg gotta make something happen

The nigga that invented robbing I bet he was broke
Cause when you fucked up out her it ain't no fucking joke
And all bets off when a nigga money low
A nigga willing to take chances he ain't neva took before
And willing to cross a mufucka for the love of the dough
I can't fault nigga cause I done did that shit before
If you gone take it just be ready to play it how it go
It's every nigga for self this shit cut throat

My money looking funny nigga just making it barely shit ain't how it use to be nigga ain't
Fronting the package gotta choke me a bitch outta something I gotta have it I'm on my
