

Plumb, Lie Low

You didn't care about me
So I packed my bags
And left you to wonder
What you could've done better
To make our love stronger
We could have lasted forever and longer

But we'll never know how good it could be
This isn't how it should be

I couldn't laugh
I couldn't cry
I couldn't waste another day
I couldn't live
I couldn't lie low any longer
I couldn't laugh
I couldn't cry
I couldn't waste another day
I couldn't live
I couldn't lie low any longer

Did you ever care about me?
I remember the time
You looked in my eyes and promised
We'd stay together
Our love would grow stronger
The storms we had weathered
Wouldn't last any longer

It could've been so good
But there was something else for me
