

# Plumb, Motion

I can't dance here next to everybody  
But I want to dance with you

I'm not sophisticated  
I'm not your average girl  
I don't like to wear makeup  
I like my matted girls  
Do I make you feel unstable?  
Do I put you in a whirl  
Because I do not fit your ideal of a beautiful girl?

Chorus:  
I can't jump in next to anybody  
Let me jump right next to you  
I can't dance here next to everybody  
But I want to dance with you

You're so illuminated  
Your heat could melt the world  
You're so wrapped up in last week  
You make them toss and twirl  
Do I make you feel uneasy?  
Do I break your steel bad world  
Because I do not fit your ideal of a beautiful girl?

Chorus x2

We're all different  
We're all strange  
Who really cares  
Let's just keep dancing

Chorus x2
