

Plumb, Walk Away

I didnt call you
cause you would make a fuss
so i wrote it in a song
for you
you're no longer
where i am inside
we're too differnt
me and you

you can go your own way
and i'll go mine (just walk away)
you can take your chances
and i'll take mine

it isnt easy
to look you in the face
cause all you speak of
is yourself, you
dont reprsent me
it makes me cringe inside
cant you just forget
where i live

you can go your own way
and i'll go mine (just walk away)
you can take your chances
and i'll take mine

cant find any reason
for you and i to stay
cant find any reason
not to walk away
just walk away
just walk away
just walk away
just walk away

you can go your own way
and i'll go mine (just walk away)
you can take your chances
and i'll take mine (just walk away)
you can go your own way
and i'll go mine (just walk away)
you can take your chances
and i'll take mine (just walk away)
just walk away
just walk away
