Plummet, Damaged (Antillas Remix)

Ohh
Ohh

[x5]
Can't go back
Can't go back
Can't go back
Can't go back..

Dreaming comes so easily
Cause it's all that I've known
True love is a fairy tale
I'm damaged
So how would I know?

[Refrain]
I'm scared
And I'm alone
I'm ashamed and I need for you to know

[Chorus]
I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
Ohh I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
Ohh..
Ohh..

[x2]
Can't go back
Can't go back
Can't go back
Can't go back..

Healing comes so painfully
And it chills to the bone
Won't let anyone get close to me
I'm damaged
As I'm sure you've known

[Refrain]
I'm scared
And I'm alone
I'm ashamed and I need for you to know

[Chorus]
I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
I feel you near me

I didn't say all the things that I wanted to say
And you can't take back what you have taken away
Cause I feel you
Ohh I feel you near me
Ohh feel you near me
Ohh feel you near me

Can't go back
Can't go back
Can't go back
Can't go back..

I can't go back
I can't go back
I can't go back

I must go on..
I must go on..
I must go on..
I must go on..
