

# Plus One, I Need A Miracle

Tell me what's it gonna take  
I'm running out of prayers Lord  
Can't you see I'm helpless  
Down here on my knees  
I'm begging you please  
There's nothing left for me to do  
I need a miracle from you

I'm tired of days  
That feel like this  
When hurt is like a rope  
Wrapped around my wrist  
I know your listening  
I know it's in your hands  
But still I'm out here in the dark  
I just don't understand (understand)

Tell me what's it gonna take  
I'm running out of prayers Lord  
Can't you see I'm helpless  
Down here on my knees  
I'm begging you please  
There's nothing left for me to do  
I need a miracle from you

I know you're tired  
With plans to keep  
Off saving someone's life  
Or calming stormy seas  
But I'm not asking you  
To bring me back the moon  
All I need is a little help  
That can only come from you

Tell me what's it gonna take  
I'm running out of prayers Lord  
Can't you see I'm helpless  
Down here on my knees  
I'm begging you please  
There's nothing left for me to do  
I need a miracle from you  
How long can I go on this way  
I need you to plead my case  
To turn this thing around

Tell me what's it gonna take (what's it gonna take)  
I'm running out of prayers Lord (out of prayer lord)  
Can't you see I'm helpless (can't you see helpless)  
Down here on my knees (I'mmm onn my knees)  
I'm begging you please (I got nothing left to do I'm calling you Lord)  
There's nothing left for me to do (I'm begging you pleeease)  
I need a miracle from you

Tell me what's it gonna take (what's it gonna take)  
I'm running out of prayers Lord (What's it gonna take, Lord)  
Can't you see I'm helpless  
Down here on my knees  
I'm begging you please  
There's nothing left for me to do  
I need a miracle from you
