

Plus One, Medley: Have Yourself A Merry Little Christmas

Have yourself a merry little Christmas
Let your heart be light
From now on, our troubles will be out of sight
Yeah yeah, hey, yeah
Have yourself a merry little Christmas
Make the Yuletide gay, yeah
From now on, our troubles will be miles away
Away, hey
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more, yeah, hey
Have yourself a merry little Christmas
Have yourself a merry little Christmas
So have yourself a merry little Christmas now
Have a merry, merry Christmas
Have a merry, merry Christmas

I'll be home for Christmas
You can count on me (count on me)
Please have snow and mistletoe
And presents under the tree (under the tree)
Christmas Eve will find me
Where the lovelight gleams
Oh, I'll be home for Christmas
If only in my dreams.

Have a merry, merry Christmas
Have a merry Christmas
Have a merry, merry Christmas

In my memory, I can see the tree
With my presents big and small
But the story of a King who came for me
Is the greatest gift of all

O come let us adore Him
O come let us adore Him
O come let us adore Him
Christ the Lord
For He alone is worthy
For He alone is worthy
For He alone is worthy
Christ the Lord
He is Christ the Lord
The Lord
O come let us
O come let us adore Him
O come let us adore Him.
