Plus One, Medley: Have Yourself A Merry Little C

Have yourself a merry little Christmas Let your heart be light From now on, our troubles will be out of sight Yeah yeah, hey, yeah Have yourself a merry little Christmas Make the Yuletide gay, yeah From now on, our troubles will be miles away Away, hey Here we are as in olden days Happy golden days of yore Faithful friends who are dear to us Gather near to us once more, yeah, hey Have yourself a merry little Christmas Have yourself a merry little Christmas So have yourself a merry little Christmas now Have a merry, merry Christmas Have a merry, merry Christmas

I'll be home for Christmas You can count on me (count on me) Please have snow and mistletoe And presents under the tree (under the tree) Christmas Eve will find me Where the lovelight gleams Oh, I'll be home for Christmas If only in my dreams.

Have a merry, merry Christmas Have a merry Christmas Have a merry, merry Christmas

In my memory, I can see the tree With my presents big and small But the story of a King who came for me Is the greatest gift of all

O come let us adore Him O come let us adore Him O come let us adore Him Christ the Lord For He alone is worthy For He alone is worthy For He alone is worthy Christ the Lord He is Christ the Lord The Lord O come let us O come let us adore Him O come let us adore Him.
