

Plus One, The Medly

Have yourself a merry little Christmas
May your heart be light
from now on our troubles will be out of sight

Have yourself a merry little Christmas
Make the yuletide gay
from now on our troubles will be miles away

Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once more

Have yourself a merry little Christmas
have yourself a merry little christmas
so have yourself a merry little Christmas night
have a merry merry christmas
have a merry
have a merry merry christmas
merry christmas...

I'll be home for Christmas
You can count on me
Please, have snow and mistletoe
And presents under the tree

Christmas Eve will find me
Where the lovelight gleams
I'll be home for Christmas
If only in my dreams
have a merry merry christmas
have a merry merry christmas

i my memory, i can see the tree
with my presents big and small
but the sotry of a king sho came for me
is the greatest gift of all

oh come let us adore him
(oh come)
oh come let us adore him
oh come let us adore him, Christ the Lord
(for he alone)
for he alone is worthy
(he is worthy)
for he alone is worthy
(is worhty)
for he alone is worthy, Christ the Lord
(he is Christ the Lord)
oh come let us
oh come let us adore him
oh come let us adore him
