

Plus One, You

Me,
It was always all about me
My job, my plans, my time
That's all I cared about
Myself, I only need myself
To get me through my life
But suddenly I found... That...

Chorus:

I want, I need
I crave, I breath
I feel, I hope
I dream, I know
I trust, I love
You

Life,
I'm just discovering life
How magical it is
Because of all you are
These days,
I wake up and I'm amazed
How much I want to give
Since you touched my heart

Repeat chorus

Bridge:
It wasn't luck
It wasn't fate(No it wasn't fate)
There's just one reason my world's
changed
(One reason my world's changed,
it was you)

Repeat chorus
