Poco, P.N.S.(WHEN YOU COME AROUND)

(Paul Cotton) I've got my head up on the ceiling And I can't see myself lookin' down At a heartthat has no feelin' And I could not care when you come around I'm tryin' to find a way to tell you, Oh, my woman, you got to leave And leave my life and try to make do To somebody who will believe If they could see through you to all of your lies And take some time and maybe realize That it's over before it began And you're leavin' to find another man, oh. I've got my head up on the ceiling And I can't see myself lookin' down At a heartthat has no feelin' And I could not care when you come around And I could not care when you come around.
