## Poco, Sweet Lovin

(Richie Furay)

Sweet sweet love Sweet sweet love To light her way

Sun shinin' in the night
My newborn child
Oh my, sharin' her lovin' with me
I can see in her smile
Wordless are the thoughts
She's tryin' to say
Oh my, maybe she's seein' the light
Of a brighter day

So give her some lovin' Sweet sweet love Sweet sweet love Sweet sweet love To light her way

Tears runnin' down my face in ecstacy Oh my, how we gave life to this child Baby you and me With the love we shared inside

She found her way Oh my, you know it makes me feel So much more for today

So give her some lovin' Sweet sweet love Sweet sweet love Sweet sweet love To light her way
