

Podunk, Catch the Bus

Well I don't know what I'm gonna do
So I guess I'll just roam until I'm through
Well I've got to pack up these walking shoes
Yeah I'm packing up these walking shoes

Catch the bus and send my love from me to you
Cause I don't know where this ride is going to

It's time to find, time to find a new
Place where I can think until I get through
Well I've got to pack up these walking shoes
Yeah I'm packing up these walking shoes

Catch the bus and send my love from me to you
Cause I don't know where this ride is going to
As long as it brings me back to you
I'll do anything just to get back to you

Catch the bus and send my love from me to you
Cause I don't know where this ride is going to
As long as it brings me back to you
I'll do anything just to get back to you

Catch the bus and send my love from me to you
Cause I don't know where this ride is going to

Catch the bus and send my love from me to you
Cause I don't know just where this ride is going to

Yeah, yeah, yeah
