Poema Arcanus, Farce

Tired to hear the same lies Tired to look the same smile faces Tired to look the electoral show Disconnect de TV think for a minute

They wanna make me think - in dying for the flag They wanna meke me feel - as a part of the machine They wanna meke me lie - praying to their god Listen to your mind and ignore the fucken farce

Chorus Hypnotized - prejudice Leave the mass - farce

Ignore the fucken farce !!

Fucken liars, drive the nation While poorness go from bad to worse Politicians only talk to much But these motherfuckers, nothing do

Chorus
